Employee of the Month

SAMANTHA Y.

Samantha is described as not only the front desk supervisor but goes above and beyond for patients and employees. Peers have this to say about Samantha:

~“Almost every patient I bring back of Dr. Harrell's raves about how good their experience is up at the front whenever she is checking people in and out or scheduling them. Samantha strives for betterment for the clinic as a whole!”

~ “She's been the absolute best with helping me and others do our job better!”

~“She is doing a great job up front. She is really trying hard to juggle multiple hats at one time.”

Thank you Samantha, for working so hard and being an absolute ray of sunshine while you do it. We are lucky to have you here at MaxHealth!

WHAT ARE PATIENTS SAYING?

“Love this place. Been coming here for a long time. You dont feel like "just a number" to them. The text communication comes in handy as well.” --Daniel Bickle

“I recently visited MaxHealth to receive an RSV immunization. No need to visit a pharmacy for any type of shot because they are all readily available at this medical facility! One and done.”

--KallyMcGeehan

“Folks at MaxHealth simply care from the front desk to the Doctors. Moreover, every person there is a true professional and they all care about what makes you better. Try finding that anywhere else in today's world.”

--Stephen Johnson

MEDICAL HUMOR

“You’re sick a lot. I like that about you.”

Quote of the Month

“January, the first month of the year. A perfect time to start all over again, changing energies and deserting old moods, new beginnings, new attitudes.”

– Charmaine J. Ford

WHAT ARE PATIENTS SAYING?

“I am very happy with MaxHealth. The whole front desk staff is very professional and prompt answering questions. Also I am very happy with Dr Harrell. She gives enough time to her patient. She answers all question with patience. I am very satisfied with MaxHealth Family Internal and Sports Medicine.”

--Rita Kalia

“My most recent appointment at Max Health was for a lab review. James my new doctor was on time and very thorough in a review of my lab results and health history. I was very satisfied with this visit”

--Sam Moultrie

“Prompt, efficient and friendly. Dr Riazuddin listened, offered insight and worked with me to create a plan for treating some chronic health issues that I have been managing for the past decade. Had to switch Dr’s as my insurance changed (new job) and my old doc wasn’t covered.”

--Sascha Conner

“Nurse Practitioner Jennifer Pearlman is very knowledgeable and uses that knowledge to ascertain the problem to determine a solution. I have enjoyed coming to Max Health for almost 20 years. The care is paramount. Ms. Pearlman is one of the best I have seen.”

--David Corzo
